

TRANSPLANTATION PROCEEDINGS

AUTHORSHIP AND CONFLICT OF INTEREST STATEMENT

By completion of this form, the corresponding author agrees that each author listed on the Title page of the manuscript has contributed to at least one area of Category 1, 2 or 3 below. This form must be completed and signed by the corresponding author on behalf of all authors listed. The corresponding author must attach TWO signed forms to TWO copies of the manuscript upon submission, along with a CD. **No manuscript will be considered for publication in Transplantation Proceedings without this form attached at the time of submission.**

The Journal adheres to the Uniform Requirements set by the International Committee of Medical Journal Editors (<http://www.icmje.org/>) for authorship. Each author must meet criteria for authorship.

STATEMENT 1. To qualify for authorship, authors listed must have made substantial contributions to the intellectual content of the paper in each of the three categories shown below. If an author listed on the manuscript does not meet at least one criterion in each category for authorship, they should be removed as authors. This issue needs to be resolved amongst the authorship prior to submission.

Title of Article (MUST BE TYPED): _____

Author (MUST BE TYPED): _____

Date: _____

Article submitted as: ___ an original work ___ consideration as part of a meeting (TYPE - Meeting name and location: _____)
